If you enter 4 players on this form, and wish to play as a foursome together, you must ALL play the same format. If you mix choices, you will be split on the course. All stroke play players will play together, and all scramble players will play together. However, you may still take advantage of the Corporate Foursome pricing.

Players that choose stroke play are automatically entered into the Friendship Cup and all applicable trophies, and should answer each item.

Players that enter Scramble need only enter name and "My Handicap" if they have one.
