Japan Bowl® Benkyoukai

Student Agreement Form (Cont.)

Goal of Program:

Provide high school students who are interested in competing in the Digital National Japan Bowl (April 8-9, 2021) an exploratory course where each session will take the students through an in-depth look at some of the topics and themes that may appear in the Nationals competition. The goal of the program is to build on the linguistic skills they are gaining through their school by analyzing the question types that may appear in the Japan Bowl Nationals competition. We are also providing an environment for students to network with other students who are studying Japanese as a foreign language.

Proposed Schedule of Sessions (Dates are tentative)

Friday, March 5, 2021 – Session #1

Friday, March 12, 2021 – Session #2

Friday, March 19, 2021 – Session #3

Friday, March 26, 2021 – Session #4 – “Cultural Day”

Session Details

- Students in each level (levels 2, 3, and 4) will attend a total of three 60-90 minute virtual zoom meetings to preview and study the questions that may help during the National competition.
- Each of the sessions will give the students a chance to familiarize themselves with the types of prompts that appear during Nationals and help them gain substantial knowledge of the topics in question.
- One of the four sessions will be dedicated to offering the students a cultural experience by inviting an expert of a particular field which is relative to the topics and themes set forth by the National Japan Bowl committee.
