Student Agreement Form (Cont.)

Goal of Program:

Provide high school students who are interested in competing in the Digital National Japan Bowl (April 8-9, 2021) an exploratory course where each session will take the students through an in-depth look at some of the topics and themes that may appear in the Nationals competition. The goal of the program is to build on the linguistic skills they are gaining through their school by analyzing the question types that may appear in the Japan Bowl Nationals competition. We are also providing an environment for students to network with other students who are studying Japanese as a foreign language.
